

## **FREE ESTIMATES/QUOTES:**

For kitchen remodels, bathroom remodels, whole home remodels, attic build outs, outdoor living areas, room add-ons, and detached structures such as garages, carriage houses, and pool houses:

- 1)** If you have a detailed set of blueprints, or an architect's drawing, and a fully detailed scope of work for specs and quality of finishes, we can provide you an exact quote ~ at no charge.
- 2)** If you have an interior design sketch, but not a detailed scope of work for specs and quality of finishes, we can provide you a "ballpark guesstimate range" ~ at no charge.
- 3)** For permitting in most jurisdictions, we will need blueprints or architect's drawings for all things added on, built out, or expanded into attic. These are not free services.

~

For Pergola's and Pavilions, if you complete our detailed questionnaire, we can provide you an exact quote ~ at no charge.

~

For all concrete projects, outdoor kitchen projects, fireplaces, firepits, retaining walls, masonry projects, covered porches, or enclosed patios; we must have eyes-on for measurements, topography, and selection of finishes. When completed with you, we can provide you an exact quote ~ at no charge.

~

The above is not applicable if you live outside of the Tulsa metro area, as we charge a pre-paid travel fee for all eyes-on appointments.

~

If you are in need of Architectural service, and/or Interior design service, we have great relationships established with both ~ and we can arrange for a complimentary meeting between you and them to determine if you want to hire them for their services.
